This program will span over the next 3 months and requires commitment and focus. I do not waste time on people that are not respectful and do not honor the time of others. If you are ready to move forward to the next stage of your development then this program is definitely for you. If a class is skipped or missed without excuse (no call no show) then the lesson for that week will be skipped and that day will not be reimbursed. If you are not able to make a class and you know ahead of time let me know and we will move your lesson of that week to another time, I am very reasonable. The total cost of the program is \$3000 for the full 3 month training period.
